

Dear Current Prime Timers and Past and Prospective Members,

Guess what? It's time to think about getting your season ski pass for Schweitzer Mountain for the 2020-21 ski season. Season passes are available for purchase starting March 1, 2020 and are valid at the lifts from March 9, 2020 through the remainder of the 2019-20 season and all of the 2020-21 winter season.

I am pleased to report that Schweitzer has agreed to once again extend their special offer to CURRENT MEMBERS of the Schweitzer Prime Timers who are 65 and older and who purchase season passes for the 2020-21 ski season. Please read the following carefully.

Once again, here are the rules.

If you are 65 years or older (you must be 65 by December 31, 2020), are a Current 2020 (that's NOW) Dues Paying Member of the Schweitzer Prime Timers and purchase a season ski pass for the 2020-21 season prior to December 1, 2020, you can purchase an Adult Unlimited (7 day) ski pass for the price of a Sunday-Friday (6 day) pass. The price of the pass will be determined in accordance with Schweitzer's pricing schedule at the time you purchase.

You have two choices for purchasing your pass.

1. To purchase online, go to www.schweitzer.com
 - o Click SHOP in the top bar
 - o Click Promo Code
 - o Enter the Promo Code (see below how you can get the code)

- It will bring up the Unlimited Pass, and the Unlimited Pass with add-on options.
- Select which ever pass you would like to add and continue through the purchase process.

- If you would like to add additional options, click on those options now (Nordic, pass protection, etc) now.

A couple helpful hints:

- If you have not logged in to the new store, but have had a pass before, click the forgot password. There are instructions explaining this.
- Every adult will need a unique email for their profile. Each discounted pass must be ordered separately.

- Contact Guest Services if you have any questions.

You can contact me as provided below for the current promo code. Please note that if someone uses the code but does not meet the criteria, Schweitzer will be auditing all passes in December and an improperly purchased pass will be voided and you will have to deal with Schweitzer to resolve the issue. You should also note that if you are ordering passes online for more than one person and the others do not qualify for the pass deal, you need to do separate online purchases.

2. You will also be able to purchase your pass through Guest Services at Schweitzer. You can order by calling Guest Services at **208-263-9555 (Ext. 1246)**. You will need to tell them that you are a member of the Prime Timers prior to purchasing. They will have your name as we have provided Schweitzer with a list of our 2020 members. Please note that you will be able to purchase other items, such as season lockers, etc. through Guest Services at the same time. Personally, I intend to use Guest Services, as they do such a great job. Due to the COVID-19 situation you will NOT be able to go to the desk at Guest Services. Furthermore, please be patient as the Guest Services department is extremely busy. However, please do be mindful of the May 31 deadline for the lowest price on Season Passes.

If you have any doubt as to whether you are a current 2020 dues paying member, you can call our Treasurer, Deb Ziebell at 509-230-5532 or you can email her at zskis2020@gmail.com. If you are not a current dues paying member for 2020 and will be 65 prior to December 31, 2020 you can still join/rejoin the Prime Timers for the 2020 season and take advantage of this great offer by visiting the Schweitzer Prime Timers website, printing out and completing the application and sending it with your dues as indicated. Continuing from last year, if you have your own personal email (i.e., you don't share your email with another member), you can also join the Prime Timers on line through Pay Pal. Just log in and then follow the instructions on the Schweitzer Prime Timers website under Membership. We will notify Schweitzer that you are a member after we receive your check and application or as soon as we receive verification from Pay Pal (See footnote below).

In summary, if you meet the 65 year age requirement, are a fully paid 2020 Prime Timer member, you are eligible for this great deal.

If you have any questions, please contact me as provided below or you can contact Guest Services at the number provided above.

P.S. I can't begin to emphasize the following enough. You must be a current 2020 Prime Timer member (that means THIS year, i.e., NOW) at the time you purchase your pass in order to get the pass deal. If you buy a pass and join Prime Timers later, you will not be able to retroactively get the pass deal or be refunded for a pass already purchased. You must be a member when you purchase your pass. SERIOUSLY, NO EXCEPTIONS.

P.S.S. If you are not a current 2020 member, but join/rejoin, please give the mountain at least 72 hours after we receive your check and membership form or Pay Pal verification to enable us to notify SMR to update their records. Guest Services cannot give you the pass deal until your membership has been confirmed.

John
